

HARRISON HIGH SCHOOL Announces 2018 Co-Valedictorians

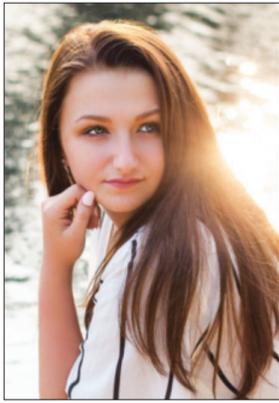

Chevelle Crofoot

Chevelle Crofoot has attended Harrison Community Schools for her entire educational experience. She is the oldest daughter in her household to Rebecca and James Moore, and Chevelle has four siblings.

Throughout high school, Chevelle has participated in a few extra-curricular activities. She has participated in the following: homecoming committee, prom committee, powder-puff football, student council, National Honors Society, and dual enrollment. Chevelle Crofoot has been Vice-President of student body for the past year. In the position she helps prepare many school events such as homecoming, spring break fever, and spirit night. She has participated in National Honors Society for the past two years completing over 40 hours of community service.

Chevelle has received many awards throughout her high school career. She has been awarded an academic letter, along with two academic lamps of knowledge. Chevelle also received student of the month her freshman year and student of the month in CTE her junior year. Chevelle has received honor roll throughout her entire school career, resulting in her first scholarship from Mid Michigan Community College, which she earned in her eighth-grade year.

After graduating, Chevelle plans to attend Western Michigan University to major in psychology and minor in communication. She would like to pursue a career in

counseling or mental health. Chevelle has been accepted in four other colleges, but Western won her heart because of the surrounding environment and career opportunities.

Chevelle would like to thank everyone that not only who is in her life now, but also those who once were. Everyone Chevelle encountered throughout high school has made an impact on her life. She would like to thank all her family and friends that have supported her along the way. A special thanks goes to her closest friends, no need to name because they know who they are, but she would like to thank them for sharing memories that one day she may miss. A thank you goes to her parents who always provided the encouragement to wake up to the same alarm every morning. Chevelle would also like to thank all the teachers that provide moral support and helped push her on the right path to success.

Parker Haines

Parker Haines is the daughter of proud parents Theron and Shannon Haines of Harrison. Her younger brother, Conner, who also attends HHS as a sophomore and her older sister, Ashley, a previous resident of Harrison, completes her immediate family.

Throughout her high school career, Parker has participated in a variety of extracurriculars and received many honorable awards. Early on in her time at the high school, she received student of the month, for both the high school and her CTE class, and the Good Citizenship Award. As a sophomore, Parker claimed the spot as vice president of her class. Parker also was accepted into the National Honors Society and participates in more than 20 hours of community service every year with her fellow members. She has also accumulated her academic letter and both corresponding pins.

Parker has maintained perfect honor roll and a 4.0 GPA throughout all her high school years. She

will graduate as a co-valedictorian and a member of the Jackpine Conference All-Academic 2nd Team.

Parker would like to take the time to thank all her family, friends, fellow students and teachers who provided their support and helped her succeed. Although high school has been a fun, wild and life changing journey, she is excited to move on and see what else life has in store for her.

Quinton Larion

Quinton Larion is the son of Peggy Larion and the late Robert Larion. He has one older sister, Terra.

Throughout his time in high school, Quinton has participated in band, theater, National Honors Society, Student Council, and Dual Enrollment. In band, Quinton has served as band president for four years, assistant drum major, and senior drum major. He has also received awards for performances at MSBOA District IX and State Solo and Ensemble Festivals. Quinton has also participated in many community service projects such as Project Kids Christmas, the blood drive, and multiple communitywide food distributions.

Quinton has earned many awards throughout high school. These include student of the month, three academic letters, four varsity letters, two citizenship awards, a distory department award, and several band awards. Quinton would like to thank his mother for always being there to support him no matter what. He also would like to thank the rest of his family, friends and teachers who have always been so overwhelmingly supportive throughout everything, and always pushed him to strive to be his best.

on attending Saginaw Valley State University to obtain a degree in music education. He has received numerous scholarships from SVSU including the Founders Scholarship, the Robert and Ellen Thompson Scholarship and the Rhea Miller Scholarship.

Quinton would like to thank his mother for always being there to support him no matter what. He also would like to thank the rest of his family, friends and teachers who have always been so overwhelmingly supportive throughout everything, and always pushed him to strive to be his best.

Bryce Lipovsky

Bryce Lipovsky is the son of Jamie and Tammi Lipovsky who are active members of the Harrison community and the greater Clare County. He has two sisters, one of whom is a Harrison High School alumna, Allison Lipovsky and Emily Lipovsky who is a sophomore at HHS.

Bryce has had a very successful sporting career on top of an excellent academic record. While recording a 4.0 GPA through four years, he has played baseball, basketball and football during those four years as well. The success goes even deeper from there, as Bryce has earned two Honorable Mentions All-Conference Awards, two Second Team All-Conference Awards, and one First Team All-Conference Award for his performances on the field and court, as well as First Team All-District in baseball during his junior year. Multiple honors his senior year during football included a golden helmet award, First Team All-State through the MHSFCA, Honorable Mention All-State through the Associated Press, Saginaw News Second Team Dream Team, Detroit Free Press First team All-State and First Team Bay City Times Dream Team. Academically, Bryce has received a First Team Academic All-State, Honorable Mention Academic All-State, three academic letters and Jack Pine Conference First Team All-Academic.

During Bryce's years at Harrison High School he also participated in the National Honor Society, where he held a vice-pres-

ident position. Bryce participated in many community events, including local blood drives, Feed My Starving Children, Kids Night Out at Larson Elementary, Project Kids Christmas, helped organize many local 5K's, striking out hunger, and has been a part of many team camps that have helped youths develop their skills. Bryce and his family were big contributors to starting the local youth football program which is still actively running.

He plans to pursue his dreams of playing college football at Northwood University where he is going to get a degree in business.

Bryce would like to take the opportunity to thank everyone who has been involved with his life and has touched it in any way. He would like to thank the community that he grew up to love for the support they gave him. Finally, he would like to thank his friends and family for being his more direct support system and their constant push to be the best that he can be.

Maecy Lighthall

Maecy Lighthall is the youngest daughter of Shannon and Lynn Lighthall. She has an older sister, Madison, who is also a graduate of HHS.

Throughout her high school career Maecy has participated in student council, National Honor Society, powder-puff football, varsity cheerleading and Thespian Society. Maecy has been the president of her class for four years, the president of National Honor Society for her senior year, and has held the position of Thespian Troupe secretary.

Maecy has earned a handful of awards during high school. She has earned a varsity letter, Jack Pine Conference 2nd Team All-Academic, and the title of student of the month. During her junior and senior year, Maecy was dual enrolled at Mid Michigan Community College where she completed 29 credit hours. After graduation, Maecy plans to contin-

ue her education at the University of Michigan-Ann Arbor to study computer science.

Maecy would like to take this opportunity to thank her family, as well as her fellow classmates and community for their dedication through the years. She would also like to thank the staff of HHS for encouraging and supporting her throughout her high school career.

Morgan Hofmann

Morgan Hofmann is the daughter of Kim and John Hofmann. She has three older siblings: Janie, Alexandra and Christopher.

Throughout her high school career, Morgan has participated in marching band, pep band, jazz band, National Honor Society, Student Council, and Student Body. She has held many leadership positions such as Harrison Bands Executive Board secretary, Horn section leader, Student Body secretary, and National Honor Society secretary. She is also involved in Students of Promise and Educational Talent Search through Mid Michigan Community College. Some of the community service opportunities she has participated in include Project Kids Christmas, blood drives, Feed My Starving Children, Larson Elementary's Kids Night Out, and local food distributions.

Morgan has also earned numerous awards during her four years of high school. She has received her academic letter, two Lamp of Knowledge pins, and a varsity letter for band. She has also been named a member of the Jackpine Conference 1st Team All-

Academic. Morgan has also received an award for her achievements in the math department, as well as an award from the Michigan Tech Society of Women Engineers for excelling in math and science.

During her junior and senior years, Morgan was dual enrolled at Mid Michigan Community College, where she completed 26 transferrable college credits. After graduation, Morgan will be attending Grand Valley State University. She plans on obtaining her Bachelor of Science degree in political science and will attend law school afterwards to obtain her

Joel Coughlin

Joel Coughlin has achieved a 4.0 GPA for the class of 2018 at Harrison High School. Joel has attended Harrison Community Schools his entire life and is attending Michigan State University in the fall to study pre-medicine. Joel is the son of Brian and Dionne Coughlin and has one sibling, Bret Coughlin.

Throughout his high school career, he has been involved in several extra-curricular activities. These include; JV and Varsity football, JV and Varsity basketball, track, National Honor Society, and has also worked at the Tamaracks Golf Course and continues to work at the Harrison Do-It Center. Joel has taken a total of 23 college credits through the Dual Enrollment program thanks to Mid-Michigan Community College. His awards include: 2nd team All-Conference Defense his junior year in football, 1st team All-Conference Defense his senior year in football, 2nd team All-Conference Special Team his senior year in football, honorable mention All-Conference in basketball in both his junior and senior year, and 2nd team All-Academic his senior year. Also, Joel has been a part of three Academic All-State teams.

Joel would like to thank everyone who has helped him and made his high school experience memorable. He would especially like to thank his parents who have encouraged, mentored and pushed him to become the best student that he possible could. Also, he would like to thank his family at the Harrison Do-It Center for always being flexible and supporting his academic and athletic wishes.

Ross Wilson

Ross Wilson is a current Co-Valedictorian of Harrison High School along with seven other classmates. Ross has been a member of Harrison Community Schools throughout his whole educational career. He is the oldest son of John Wilson and Karen Hulliberger and stepfather Nathan. Ross has a brother Evan Wilson and a stepsister Hailey.

Throughout his time at HHS, Ross has partaken in several achievements and activities. Among these achievements is receiving several academic letters, an award for those dedicated to expanding their education. Ross has also participated in the Harrison band program since the sixth grade and is a proud trumpet player. Another activity Ross partook in was the National Honor Society where he gladly served our community through many good works by donating his time to help at food distributions, and even central dispatch.

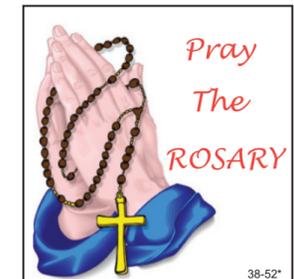

Ross has had an excellent academic career, obtaining a 4.0 GPA and he looks to broaden his education pathways. He is currently dual enrolled through Mid Michigan Community College and has already been successful as he has held honor roll at the college.

This leads us to venture into what Ross plans to do after high school. Being a student is some-

thing Ross would still like to take part in and attending college is something he looks forward to. He currently is unsure what field (or trade) he wishes to partake in but knows he wants to go to Mid Michigan Community College still and pursue a degree in general studies at the very least and potentially transfer to a university (potentially Central Michigan University). He also plans on traveling to Rome after graduating to get out and explore the world and the peoples who inhabit it.

Ross would like to take this final moment and thank everyone who has been there for him on his life journey. He has hit it rough at some points, but without those there to support him he would never be where he is today. Thank you.
